

Quality Criteria of Inclusive Music Lessons in Primary School

- Transfer of Results -

III

Service Learning

Practical implementation of the results of the research project in inclusive fields of action

A cooperation project with
music students - primary school children – residents of a nursing home

Procedure:

The music students first work on various pieces of music in the classroom with the primary school children and then present them in the nursing home.

Then the children mingle with the nursing home residents, explaining to them how music is played and then they all make music together.

Award for the Research Project:

Nomination for the “Miteinander Preis 2019“

(“Together Prize 2019“)

 **Inklusion
in Bayern**

miteinander-Preis 2019
